RECORD OF SUBSTANCE OF INTERVIEW

Commissioner of Patents
Alexandria, Virginia 22313-1450

Sir:

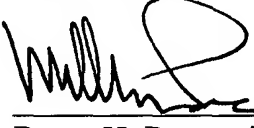

In reply to the Interview Summary, mailed July 29, 2003, regarding the telephonic interview initiated by the Examiner on July 25, 2003, and in accordance with 37 C.F.R. § 1.133, Applicant records the substance of the interview as follows:

The interview was between the Examiner and Applicant's representative Van C. Ernest, of the law firm of Greenblum & Bernstein, P.L.C. The Examiner encouraged Applicant to delete the word "simultaneously" from claims 1 and 10 in order to clarify the claimed subject matter. No specific prior art was discussed. Rather, the Examiner asserted that the subject matter of the claims appeared to be internally inconsistent by reciting "simultaneously." Applicants agreed to the amendment of claims 1 and 10, which the Examiner said would be entered by Examiner's amendment.

Should the Examiner have any questions concerning this record of the substance of the interview or the present application, the Examiner is respectfully requested to contact the undersigned at the telephone number listed below.

Respectfully submitted,
Tadaaki SUDA
